

# YOUR PERFORMANCE PACK

At Edgy Productions we understand the time and effort it takes to rehearse and produce a quality children's production. This pack has been designed to minimise that time and effort, without compromising on the quality. Its content is such that the staging of 'Puss In Boots' will be a thoroughly enjoyable experience for all adults and children involved.

**Folder 3 (MP3s)** contains vocal versions of all the songs to help the cast learn them, backing tracks for performances and incidental music where scenes require. **Folder 4** contains the script, accompanied by detailed staging suggestions and directions (details below), which can of course be adapted to suit your own needs. There is also a piano score for each song with a vocal line and guitar chords. **Folder 2 (Covers)** contains original artwork and graphics which can be used to design posters and programmes. Good luck with your production – we are sure it will be a great success.
