

The Best That I Can Be

Verse 1 Many races to be run,
Many battles to be won,
And many hurdles that I must overcome.
And where I'm headed nobody knows,
But at my heels there's a strong wind that blows.
I'll celebrate the highs and learn from the lows,
And face the challenges of life,
With my shoulders back and my head held high. I'm.....

Chorus *Gonna treat every new day just like an adventure.
Gonna make the most of every opportunity.
Gonna make every new day a day to remember
Gonna be no less than the best that I can be.*

Verse2 Many places yet to see,
Many friends I've yet to meet,
And many possible paths lie at my feet.
And yes, there'll be some twists and some turns,
But in my heart there's a fire that burns.
My mind is open and I'm ready to learn,
And face the challenges of life,
With my shoulders back and my head held high. I'm.....

Chorus *Gonna treat every new day.....*

Middle 8 As I stand on the starting line,
I feel so heavy with expectation.
But I have you standing by my side,
And now I know I can fly!

Chorus *Gonna treat every new day...*
