

Character information for

Gimme, Gimme, Gimme!

NB – for larger schools, extra speaking characters can easily be added and lines shared out between them. Equally, for smaller schools, children can ‘double-up’ on parts as most speaking characters appear in single scenes

34 speaking parts in order of appearance

* A ‘line’ is defined as each time a character speaks - usually between one and seven actual lines of text each time.

Character	Number of spoken lines *	Costume Suggestions
