

Your Performance Pack

At Edgy Productions we understand the time and effort it takes to rehearse and produce a quality children's production. This pack has been designed to minimise that time and effort, without compromising quality. Its content is such that the staging of **'Santa's On Strike'** will be a thoroughly enjoyable experience for all adults and children involved. **Folder 3 (MP3s)** contains vocal versions of all the songs to help the cast learn them, backing tracks for performances and incidental music where scenes require. **Folder 4** contains the script, accompanied by detailed staging suggestions and directions (details below), which can of course be adapted to suit your own needs. There is also a piano score for each song with a vocal line and guitar chords. **Folder 2 (Covers)** contains original artwork and graphics which can be used to design posters and programmes. Good luck with your production – we are sure it will be a great success.
