

Happy On A Snowy Day

Verse 1 Winter calling, snowflakes falling,
Try to catch them in your hand!
More than millions, trillions – zillions!
See them melting as they land.

Chorus *Faces glow when there is snow,
Covering the world below.
Children laugh and sing and play,
Happy, on a snowy day!*

Verse 2 Hats and coats and scarves and gloves can
Keep you cosy when it’s cold.
Snowmen, snowballs, gentle snowfalls,
Lots of fun for young and old!

Chorus *Faces glow when there is snow,
Covering the world below.
Children laugh and sing and play,
Happy, on a snowy day!
Children laugh and sing and play,
Happy, on a snowy day!*
