

# The Wind Goes Whoosh!

**Verse 1** The wind goes ‘whoosh’  
When it feels it’s in a rush.  
Leaves play all day!  
What a lovely ‘whooshing’ sound,  
As it rushes round and round.

**Chorus** *Whoosh, whoosh, whoosh, whoosh!*  
*As it rushes round and round.*

**Verse 2** The wind goes ‘oooh’  
When it’s whispering to you.  
Leaves play all day!  
What a lovely ‘ooohing’ sound,  
As it whispers round and round.

**Chorus** *Oooh, oooh, oooh, oooh!*  
*As it whispers round and round.*

**Verse 3** The wind goes ‘wooo’  
When it’s chasing after you.  
Leaves play all day!  
What a lovely ‘woooing’ sound,  
As it chases round and round.

**Chorus** *Wooo, wooo, wooo, wooo!*  
*As it chases round and round.*  
*Whoosh, whoosh, oooh, oooh!*  
*Wooo, wooo, wooo, wooo!*  
*There are such a lot of things*  
*That our friend the wind can do.*  
*Whoosh! Wooo!*
