

Character information for

TROY STORY

For larger schools, extra speaking characters can easily be added to scenes and the existing lines shared out between them.

For smaller schools, because many characters only appear in one scene, multiple parts (including non-speaking, ensemble characters) can be played by a single actors.

Minimum cast size: 40

Ideal cast size, including non-speaking, ensemble characters: 60-100

Maximum cast size, with extra non-speaking, ensemble characters: 160. Add more with a choir.

A 'line' is defined as each time a character speaks - usually between one and six actual lines of text each time.

32 speaking parts in order of appearance
