

Your Performance Pack

At Edgy Productions we understand the time and effort it takes to rehearse and produce a quality children's musical. This pack has been designed to minimise that time and effort, without compromising on the quality. Its content is such that performing 'Stable Boy' will be a thoroughly enjoyable experience for all adults and children involved. Folder 3 (MP3s) contains vocal versions of all the songs to help the cast learn them, backing tracks for performances and incidental music where scenes require. Folder 4 contains the script, accompanied by detailed staging suggestions and directions (details below), which can of course be adapted to suit your own needs. There is also a piano score for each song with a vocal line and guitar chords. Folder 2 (Covers) contains original artwork and graphics which can be used to design posters and programmes. We have also made available a series of clapping-karaoke videos that will help in the teaching and performing of the clapping elements in the songs – see Folder 5. Good luck with your production – we are sure it will be a great success!
