

Your Performance Pack

At Edgy Productions we understand the time and effort it takes to rehearse and produce a quality children's production. This pack has been designed to minimise that time and effort, without compromising quality. Its content is such that the staging of 'Goodbye My Friend' will be a thoroughly enjoyable experience for all adults and children involved. The **Covers** folder contains original artwork and graphics which can be reproduced on programmes and posters. The **first MP3 folder** contains vocal versions of all the songs to help the cast learn them. The **second MP3 folder** contains backing tracks of all songs for performances, with continuity and incidental music where scenes require, and various sound effects. The **fourth folder** contains a full script, lyric sheets to all songs, detailed stage directions and production suggestions, all of which can be edited and adapted to suit your needs. It also contains PDFs of the piano score (plus melody line and chords) for all the songs, which can be printed and photocopied. Good luck with your production – we're sure it will be a great success.

Script Contents
